BRAND RED DEER

The Red Deer is the king of the forest, the inconceivable marriage of vigour and grace. This tool from Red Deer bridges the gap between the style consciousness of the 'good old days' and state-of-the-art technology with **MADE-IN-GERMANY** quality. A brand for everyone who produces male originality with wild precision. Or, in a nutshell: **WILD PRECISION FOR THE CREATORS OF MEN.**

**WILD
PRECISION FOR
THE CREATORS
OF MEN**

HANDLING

- 360° rotating cable joint for maximum freedom of movement without tangling.
- Lightweight, handy, and low vibration for comfortable operation over long periods, gentle on joints, muscles and tendons.
- The blade head can be changed and easily cleaned in just 5 seconds, thanks to the quick-release blade head.
- The length taper lever can be alternately mounted for both left- and right-handers with just one screw.

STYLE

- Personally customizable with interchangeable side wings.
- Cloth coated cable for style and durability.
- Lasso clip located directly on the cable for convenient hanging.

WARRANTY & SERVICE

- Free warranty extension up to three years.
- Headquarters in Germany.
- For service, repairs, or support, see the Red Deer website or consult your local dealer.
